

“When we act mindfully we choose sustainable solutions,  
build thriving communities and live healthier lives.”

**Laura Hansen**

Laura offers leadership and guidance as an educator, consultant, speaker and best-selling author. Her experience, expertise and disarming, often humorous, presentation style motivate audiences to action.

### **Keynote Topic**

#### *Aligned for Profitability*

People want their work to mean something. They look for organizations that align with their civic values, are open to new ideas and foster a collaborative environment. An organization that recognizes this workforce evolution, and sees the wisdom to change with it, gives itself the greatest opportunity for innovation and profitability. Laura creates an open environment for introspection and discussion as participants learn new techniques and processes they can implement immediately within their organizations.
